Dear Friends and Partners:

As we approach the end of another year, we are grateful for all your support and prayers. For more than twenty five years we have continued to share the gift of salvation and love of Jesus to those that feel forgotten.

We could not do this without you!

While I was watching Phil update the boys' scrapbooks on our Website recently, it made me laugh and cry looking back with memories of each boy, Where did the time go? It is so hard to believe that it has been over 25 years since the Lord called Phil and me to Kenya. One of my favorite verses is **Proverbs 3:5-6 "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and He shall direct your paths."** This has been so true in our lives. When the Lord said "I want you to build a home for my hurting children," I thought ME Lord?, If I am the best you have for this job, I feel sorry for you. **I was looking at my own ability and did not realize at that time the Lord Jesus only needs a vessel with a trusting heart. I remember saying "OK Jesus, I am jumping catch me!" And He did!!**

Since then, we have watched Jesus guide us through the storms and bring many joys into our lives, preaching, watching tear filled eyes receive Jesus and forgiveness, giving hungry children food and seeing the excitement on faces as they received a Bible. Looking back, I am so glad we said "Yes" to Jesus. If we would have let fear or our own understanding guide us, where would these young men be today? With your support the Lord has brought salvation and the love of Jesus to thousands through the years, and given our boys a chance to get an education and become what He has created them to be.

From my heart, Janice

Phil heading back to Kenya—Nov. 11, 2025

We always look to maximize our impact on our trips to Kenya, and time our trips accordingly. There are six more young men graduating from high school in the next few months. Once they graduate, their world expands in preparation for them to make their own way in their lives, and the opportunities to spend time with them become much less frequent. My main focus on this trip is to spend time with our Haven family, and also to visit at least one needy family with groceries, prayer and the light of our Lord Jesus Christ.

At the time of this writing, the TSA is functioning with reduced staff, and the security lines are backlogged 3-4 hours. The flight situation could change at any time. **Phil**

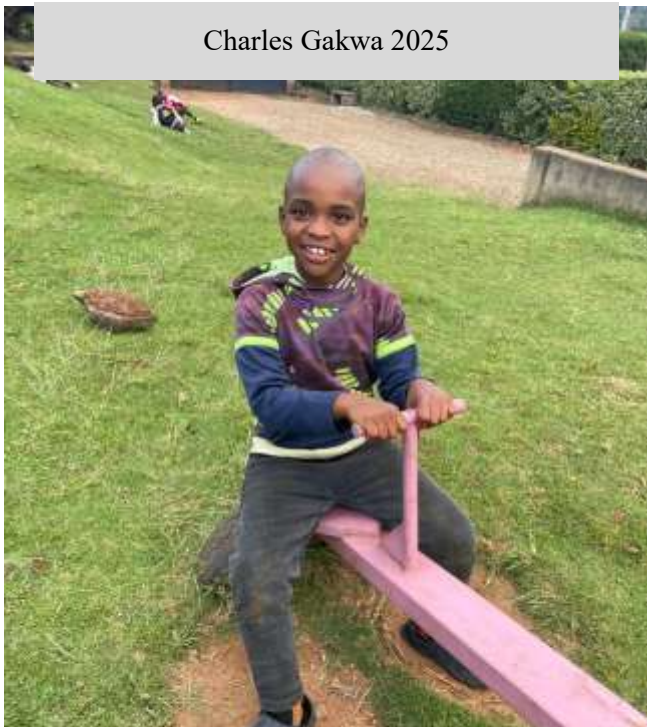

We continue to take salvation and the love of Jesus to our neighbors in Kenya, Africa-2025

Please pray for :

- Phil's trip to Kenya. Safety and effectiveness in representing Christ. Favorable flight conditions.
- Many souls to be saved.
- Solar backup electricity for our ministry office. \$6,700.
- For all **our boys and young men**, that they continue to walk in the ways of the Lord. (Ephesians 6:4).
- **The Lord is able to use us to reach more people for Christ in these last days.**
