Dear Friends and Partners:

We are grateful for all your support and prayers. We are still going strong with Jesus, taking the gift of salvation and love of Jesus to those that feel forgotten. We could not do this without Jesus and you!

Phil's upcoming trip to Kenya

I will be travelling to Kenya in later this month. During my stay, I plan to manage the installation of the solar electricity backup system that will keep our administrative functions operative during the frequent outages that are experiencing at Haven. **A Big thank you** to all who contributed to make this happen!

Also, during my stay, I plan to spend time with our Haven boys and visit as many of our high school graduates as I can. *Phil*

This is Naomi our administrator, with her husband Sam our manager, and their sons David and their new addition! Joseph.

Update on our Haven boys

A lot of you have been asking about the status of our boys, the current status of each one is located on the back page.

*We love and appreciate you!! Thank you for all you do.
We could not do this without your prayers and support!
(Little by Little makes a bunch)*

Ministering to the Orphans in Gatundu:

We are in the planning stage of another outreach sometime in February for the orphans in Gatundu, Kenya. We plan on bringing them to Haven feeding them and teaching them that they have a father who loves them and they are created for a purpose. They will have fun playing games and doing crafts while learning what it means to receive Jesus as their savior. Believing the Lord for money to get each child a Bible and blanket. We are also believing for many souls to be saved! :) Please keep this in your prayers. **More details in the next newsletter.**

Choose This Day Who Will You Serve:

While I was teaching the 5-12 years class this past Sunday about making right choices, the Lord reminded me of a time right after I got saved. My daughter and I were looking for a place to rent and we had no money and our lease was up in two weeks. We had to move. We saw this place that had a sign in the yard for rent. Knowing it would be too much for us, but wanting to see inside we tried to look through the windows with our faces pushed against the glass. Somehow it broke! I was so afraid! I told my daughter "lets go!" I knew what I should do, but was afraid. We had NO money! **My choices were #1 act like I didn't know anything about a window, or #2 act like a Christian and trust God.** I decided to trust God, and called the number on the sign. So glad I did! After confessing to the man about breaking the window and telling him I was willing to mow his two acres to pay for it, I explained our situation. He was so impressed with my honesty that he let us rent the place for the same amount we were paying for a much smaller place. He also gave us two weeks free rent! If I had tried to take the easy way out and not trust God I would have missed a big blessing and my daughter would not have learned to trust in the Lord. *From my heart, Janice*

Please pray for :

- The installation of the solar backup to go smoothly.
- For all **our boys and young men**, that they continue to walk in the ways of the Lord. (Ephesians 6:4).
- Phil's safety as he travels to Kenya this month.

Keeping you in our prayers!

This was taken in March 26: Phil's niece Jenny and me with some of the younger boys.

Please keep all our boys in your prayers as they reach manhood, that they hear the voice of the Lord and learn to trust in Him for their future. That the Lord would guide them, give them favor and protect them from evil.

Just a few of our great men of God in the making.

When you choose to sponsor one of these children for \$10 or more per month, you are changing a life forever!
